Join the Ballet Conservatory of South Texas as we kick off the holiday season with a spectacular event for the entire family. Visit our Magical Toyland on Sunday, December 9th at the Pearl Stable, and enjoy sweets, treats, and a collection of special performances by the Ballet Conservatory Company as we celebrate our favorite toy themed ballets. Additional activities include cookie decorating with your favorite ballerina, ornament workshop, face painting, fun with San Antonio Plastic Bricks, and much, much more!

All proceeds to the Magical Toyland support the Ballet Conservatory of South Texas (BCSTX), the only nonprofit ballet academy and pre-professional company in San Antonio. BCSTX is committed to inspiring lives through ballet by offering over \$51,000 in need based scholarships, providing free ballet education to SA Youth students in their after school program, and free student performances reaching over 3,000 Title I students each year.

We are requesting financial and in-kind contributions. Below is the sponsorship grid. In-kind suggested items include: holiday decorations (Christmas trees, garland, twinkle lights), new toys for ages 3 -12 (boy and girl) to be given as prizes, and crafting projects and materials.
