CLASS CANCELLATIONS

- In the event of inclement weather, BCSTX will follow AHISD closings.
- When conditions beyond our control occur, we reserve the right to cancel classes while making our best effort to notify those students affected.
- Families will be notified via text message in the event of a school closure or emergency. You may also call the school or check the Parent Portal on our website, www.balletconservatory.org, or Facebook for information on class cancellations.

MAKING UP MISSED OR CANCELLED CLASSES

- Tuition will not be discounted if a student misses class.
- Students are strongly encouraged to make up classes missed and may make up missed classes by attending another class in their level or one level below.
- Students must contact the school office to authorize and schedule a make-up class.

ARRIVAL AND DEPARTURE

For your child's safety:

- Please escort students ages 7 and under in and out of the building, instead of dropping them off in the parking lot or street.
- When arriving, students should quietly prepare for class and assemble quietly outside the classrooms until invited in by their instructor.
- Students in Ballet III and up, however, may quietly enter an empty classroom early for warm up.
- **Please arrange for prompt pick up.** We cannot be responsible for watching children after class time.
- Please do not drop your dancer off more than 30 minutes prior to the beginning of their class time. We cannot be responsible for watching children before class time.
- Students being picked up should sit quietly in the building until parents arrive.
- Children are not allowed to wait outside or leave the premises until parents retrieve them.
- If a student takes classes in Studio C, he or she needs to wait in the main studio waiting area until their instructor or a staff member can escort them over. Parents are **not** allowed in Studio C.

FAMILY AND FRIENDS OF STUDENTS

To promote a positive experience for all students please:

• DO NOT INTERRUPT CLASS.

- If a message needs to be delivered to the instructor or student during class, please coordinate with the school office. If your child must leave class early, please go through the school office and a staff member will go to the classroom to get your dancer.
- Only office staff and students are allowed in empty classrooms. Parents, siblings, and friends are **NOT** allowed in empty classrooms.
- Adults and children in the lobby and hallway should always speak quietly. No loud playing, running, or horseplay in the lobby and hallway will be tolerated. Noise is a major distraction for students in class and the staff. Parents are responsible for ensuring siblings of dancers are quiet.
- No loud cell phone conversations in the lobby. Please step outside if you need to make or receive a call.

LOST & FOUND

- We are not responsible for lost, misplaced or stolen items.
- We recommend labeling your shoes and all of your belongings.
- Ask permission from an office staff member before going through the Lost & Found box.
- Unclaimed items in the Lost & Found box are donated to a charitable group at the end of each month.

PARENT OBSERVATION WEEK

Parents will have the opportunity to sit in on their child's class(es) and observe the students as they train during the last week of classes in December and the second week in May. We strongly encourage at least one parent to attend.

END OF YEAR CONFERENCES

A one-on-one conference for each dancer from Ballet I – Ballet VI will be scheduled with the Artistic Director or instructors close to the end of each year to discuss a dancers progress and areas necessary for improvement.

INSTRUCTOR/STUDENT CONTACT

BCSTX strives to offer teaching that is individual and "hands-on." It is appropriate for a member of the faculty to manually and physically position a student to explain a point of instruction or to pinpoint an individual flaw in his/her technique. BCSTX neither condones nor tolerates any touching of students by instructors that is harmful, professionally reckless, or that violates generally accepted tenets of propriety.

CLASS PREPARATION

To ensure body and mind are ready for class and minimize disruption:

- Students should arrive at least 15 minutes before class to change, have their hair properly done (see Dress/Hair Etiquette), be prepared, and neatly organize their belongings into lockers and cubbies.
- Students should organize quietly outside the classroom after preparation.
- It is not the instructor's responsibility to search the bathrooms and hallways for students.
- Students should be properly hydrated prior to class. Water bottles are allowed in the studios for Intermediate and Upper Division. Instructors will let the students know when an appropriate time is to drink water during class time.

DRESSING ROOMS

To keep our facilities clean and organized:

- Dressing rooms are to be used for changing clothes or use of restroom facilities only. No socializing in the restrooms. Upper Division dancers may utilize the dressing area for warm-up or breaks.
- Students are expected to help keep the restrooms clean and neat by picking up after themselves and storing their belongings neatly in lockers and cubbies when available.

DRESS/HAIR ETIQUETTE (ALL AGES)

- Cover-ups that cover both top and bottom must be worn over uniform when entering and leaving the premises.
- No bare feet.
- No nail polish.
- **DO NOT** wear ballet shoes outside the building. This reduces the life of the shoes and can track hazardous material into the studios that can damage the flooring and/or cause injuries for students and company dancers.
- Students must wear color and style leotard assigned to their class level.
- Small earrings are the only jewelry allowed in class. Instructors will ask the students to remove any additional jewelry.
- **Hair:**
 - Neat, classical ballet bun secured with plenty of hairpins.
 - Hairnet that is the same color as girl's hair is recommended for class and mandatory for performances.
 - All wispsies sprayed down.
 - Bangs are allowed for students ages 3-6 only if not hanging in eyes.
 - Short Hair (too short for bun) must be pulled back neatly from face, either halfway up or secured with a headband.

- **Tights:**

- Refer to dress code for style.
- No tights with tears or runs.

- **Shoes:**

- Soft ballet shoes must have elastics securely sewn on.
- No bows sticking out.
- Pointe shoes must have elastics, laces and ribbons securely sewn with loose ends tucked in.

CLASS ETIQUETTE

To encourage safety and focus:

- We expect our students to arrive early and be prepared for class.
- If the student arrives late they must wait for the instructor's permission to enter class. For the student's safety, if not properly stretched and warmed up, he or she may be asked to observe class instead of participate.
- Please notify the school office if the student is going to be absent so the instructor can be notified. Absences without notification are considered unexcused.
- No hanging or leaning on the barres.
- No talking, yawning, or horseplay during class.
- No chewing gum or eating in the studios.
- Water bottles are allowed in the studios for Int. and Upper Division dancers.
- No street shoes in the studio.
- Maintain focus during class. Eye contact and attention should be directed to the instructor teaching and giving corrections.
- Students should never stop in the middle of an exercise unless an injury is sustained.
- Listen and apply corrections appropriately.
- Do your best and have a positive attitude.
- Respect your classmates, instructors and staff.
**BCSTX is committed to each student's success in learning within a caring, and safe environment that is free of discrimination, violence, and bullying.*
- Gossiping, name-calling and destruction or theft of property will not be tolerated.
- Show appreciation by thanking and applauding your instructor and musician at the end of class.

PRIVATE LESSONS

- Private lessons are at the discretion of the parent and student.
- To request private lesson(s), communication must be made between the instructor and the Artistic Director or Curriculum Coordinator to discuss the duration and goals for the lessons.
